Dear Prof. Li,

As your student teams from USTC have been invited to participate in the SUGAR Conference from January 16, 2017, to January 24, 2017, I am happy to learn that you will be leading the student teams for this exciting event. I would like to invite you to visit Stanford during this period to discuss collaboration on Design Thinking and Human Robot Interaction research.

Please let me know if I can be of any further help for your visit.

Looking forward to seeing you in Stanford.

Sincerely,
